

REMOTE BTN PREM DIMMERS AND 3W TIMERS

Part Number: HNS026RB

SCLICK smart switch
TECHNOLOGY

Features

- Slave Mech Suits the S-Click HNS616DT 2-wire Dimmer Mech
- Suits S-Click HNS446TM, HNS456TM Timer Mech's
- HNS026RB copies the mech it's attached too via a single core strapper cable
- Suits CLIPSAL Saturn and CLIPSAL Saturn ZEN plates / buttons
- LED Indicator Colour: White

Remote Button for S-Premium Dimmers and 3-Wire Timer Switches

In support of our policy of continuous product improvement we reserve the right to change materials and specifications without notice. Drawings, where used, are not to scale. All dimensions are in millimetres and sizes given are approximate. Where possible, technical MSDS data sheets are made available on the website. All products should be installed and used in accordance with manufacturer's instructions provided. Warning: products may be the subject of registered designs and patents. Refer to website for terms and conditions on warranty.

Multiway switching provides another level of comfort and functionality for a range of spaces, including bedrooms, hallways and garages. S-Click Remote Buttons are a convenient and economical solution that provide multiway switching and dimming over standard wiring.

The HNS026RB is suitable for use with the S-Premium range of Digital Dimmer Switches and 3-Wire Timer Switches. Multiple Remote Buttons can be connected in parallel to a single dimmer or switch, provided that the total length of the remote connection does not exceed 50 metres.

Applications and Compatibility

The HNS026RB is designed for indoor use and is not rated for outdoor installation. Suitable for Clipsal Saturn and Saturn Zen wall plates.

Compatible S-Click Dimmers: HNS616DT and HNS626DT

Compatible S-Click 3-Wire Timers: HNS446TM and HNS456TM

Note: Not for Mains Switching.

Operating Conditions

Operating Voltage: 220-240Va.c. 50Hz

Operating Temperature: 0 to +50 degrees Celsius

Compliance Standards: AS/NZS 60669.2.1, CISPR15

Power Rating: Based upon connected Dimmer or Timer

LED Indicator Colour: White

Note: Operation at temperature, voltage or load outside of the specifications may cause permanent damage to the unit.

The HNS026RB is to be installed as part of a fixed wire electrical installation. By law such installations must be made by an electrical contractor or similarly qualified person. For operating instructions and important safety warnings, refer to the product user manual.
