WHERE COULD YOUR JOURNEY TAKE YOU?

I started working for Sherriff Electrical Wholesalers Cairns in February 2017 after I applied for a Sales Graduate Traineeship through SEEK. I work as a delivery driver, storeman, counter sales, BDM, account manager and staff trainer. I enjoy working for Sherriff because of the supportive and friendly team environment at the branch.

5 years ago I started working for Sherriff Electrical Wholesalers Adelaide. I started as a driver and within 1 year I moved to counter sales. I have now just taken on the role of Business Development Manager.

I've been working for Sherriff for over 15 years. I am one of the original Sherriff employees from day one. I started as a Storeperson/driver straight out of school and have worked my way up through the ranks from Storeperson to Sherriff National Commercial Manager. The rewards are endless, as well as the encouragement you receive to better yourself.
